

Soaring Higher

is even easier with a Stratos Jet Card.

Prepaying 25 hours of flight time has its advantages; prepaying with a Stratos Jet Card has even more advantages.

Be ready to travel **whenever** you feel like it.

Prepaying 25 hours of flight time with a Stratos Jet Card covers about 10 typical 2.5 hour flights. **Why do this?** Because as enjoyable as private travel is, it still can be fraught with last-minute details, hurry-up rushing and uncertainty.

A Stratos Jet Card eliminates last-minute fare shopping, last-minute charter-service selection and other decisions.

A Stratos Jet Card is your ticket to **stress-free** travel.

With a prepaid Stratos Jet Card, you're ready to fly whenever you decide to travel.* You can relax and put all your worries in Stratos' exceptionally accommodating hands. Private travel simply is more enjoyable when you're prepaid and ready to soar with a Stratos Jet Card.

* 10 hours advanced notice required

A Stratos Jet Card is your ticket to **safe** travel.

Stratos adheres to its own more-rigorous, industry-leading, regulation-exceeding safety standards. We contract only with a select group of the nations' top-rated, most-reputable aircraft operators and crews that have been pre-screened for safety, have the financial stability necessary to allow a proactive approach to safety and are voluntarily audited by the leading third-party safety firms ARGUS and WYVERN. Each carrier we use maintains a **minimum of \$50 million in liability insurance.**

A close-up photograph of a hand with manicured nails holding a yellow pencil. The hand is positioned over a black calculator keypad, with the index finger pointing towards the number 4 key. The background is softly blurred, showing what appears to be a desk or office environment.

Your **accountant's** going to love your Stratos Jet Card.

A Stratos Jet Card guarantees you a fixed future rate, so no matter how high fuel prices spike or other variables change, you're assured a 12-month, locked-in per-hour price, giving you the ability to budget your costs significantly into the future. Accountants don't like surprises, and that's why yours will love your Stratos Jet Card.

Unlike others, a Stratos Jet Card is as **rock solid** as Stratos' financials.

A jet card is a promise of future performance that's only as reliable as the company that issues it. Stratos is proud of its **rock-solid Dunn & Bradstreet rating**, and you can be assured that Stratos will be there to deliver travel excellence at the price your Stratos Jet Card promises.

Only A Stratos Jet Card comes with Stratos' renowned **customer responsiveness**.

Unlike some other issuers of jet cards, Stratos is unencumbered by a huge bureaucracy burdened with crushing overhead. We are nimble, adroit and responsive. We've built our reputation on our **savvy logistical expertise** and we use it to our clients' best advantage, delivering the speed and agility that truly excellent travel service demands.

Only a Stratos Jet Card comes with Stratos' renowned **customer service.**

Our experienced agents and seamless flight-planning process give our team the capability to anticipate needs, identify potential concerns and react quickly and accordingly.

We are in the air charter business specifically to provide better service than our competitors and to do no less than raise the bar for the entire air charter industry. And we're doing it, and we're doing it very well – one client at a time. We hold this truth to be paramount: **the highest level of customer service provides the best travel experience.** This is our work ethic, and it gives our Stratos Jet Card holders the added Stratos value no other jet card can deliver.
